

BACHELOR DEGREE IN

# WEB DEVELOPMENT

top-up  
bachelor

The Bachelor programme in Web Development is a 1 ½-year top-up programme for students that have completed an AP Degree in Multimedia Design, Computer Science or equivalent.

As a Bachelor in Web Development you will know how to handle the frontend of IT systems using a content management system. You will also know how to build interface design with respect to aesthetics and usability.

# WEB DEVELOPMENT

For you who wants to work as a web-developer with interaction design, content management, digital design and visual communication.
