

Buying a bicycle

The easiest, quickest and cheapest way to get around in Esbjerg is by bicycle.

Please be careful in traffic.

- Take note of bus stops where people will cross the cycle path to enter and exit busses - it is your obligation to stop!
- Lights on your bike are essential in the autumn and winter. You will be fined 500 DKK for missing lights if stopped by the police.

Where to buy bicycles:

Police auction for lost property (<http://www.topauktioner.dk/cykler.htm>)

Or contact the local police office for further information on time for the auctions.

Auctions are held every fortnight. You can see the bikes from 08.30 a.m. and the auction begins at 09.00 a.m. You simply place bets on the bike you would like to buy. The bikes may be in quite a bad state and will probably need some fixing up.

Noticeboards

Check the noticeboard at your local supermarket where locals may place ads to sell bikes.

Buy a new

You could also choose to buy a new and eventually sell it on departure to new students. We recommend you to go to Bilka where they have good offers on bikes.
