

Scholarship

Business Academy South West has a very limited number of scholarships/grants available and you should not expect to receive both a scholarship and a monthly grant.

The procedure:

- Every non-EU citizen can apply for the scholarship together with the application for study.
 - We will check all applications and select the applicants who we consider qualify for the Scholarship.
 - We will contact the students who are granted either scholarship and/or grant.
 - All applicants will be notified about positive/negative answer to their application for scholarship.
- It is possible for current students to apply for scholarship. Please contact the International Office for further information: lka@easv.dk (Liselotte Kaus)

In case your scholarship application is successful you will be granted a scholarship/grant for only one semester. A prolongation of the scholarship/grant depends on your study activity and the results that you have achieved during your first semester.

The criteria for selection are:

- Previous education
- Previous grades
- Motivation
- Financial situation

The deadline for sending your application is the 10th April. You will find information about where to send your application on the Application Form. We will tell you whether your application has been successful or not by the latest on the 1st June 2010.

We are looking forward to receiving your application.
